PORTS OF CALL

KEY WEST - The "Conch Republic" is a festive island of colorful bars and equally colorful characters in what may as well be the tropics. America's southernmost tip, where Harry Truman spent his summers playing poker and running the country, is a non-stop delight. Visit Hemingway's house where you'll find his original manuscripts and many of his famed six-toed cats.

NASSAU - It's easy to see why Nassau, the capital of the Bahamas, is also one of the most popular ports in the Caribbean: picture an idyllic place with stretches of perfect white-sand beaches, gracefully swaying coconut palms offering oases of shade, and warm, crystal-clear waters revealing the secrets of incredible multi-colored marine life.

FREEPORT's - Greatest distinction is that it's on the Bahamas' northernmost island. Located a mere 70 miles east of Palm Beach, Grand Bahama Island is a regular on the short-cruise circuit from South Florida. But the isle, the fourth largest in the Bahamas' 700-strong chain, also owes its popularity to its beaches -- pretty, smooth white sand rings Grand Bahama Island -- and its water sports, from snorkeling to deep sea fishing.

*Above quote does not include taxes, fees, and trip insurance. You may qualify for additional discounts as a previous cruiser, over 55, military, etc.

Note: Transportation and parking on your own. It is 150 miles to Port Canaveral. Parking at the terminal is \$15 per day.

If you would like to join us, please contact Karen Truman 727-391-9999 or drkaren@bookofhope.us by January 25, 2012
