

# Are you **Prepared** to Care for a Loved One with Dementia?

## JOIN A SAVVY CAREGIVER CLASS

### About the Program

The Savvy Caregiver Program is an evidence-based training program designed to support informal (unpaid) or family caregivers of individuals aged 60+ with Alzheimer's disease or other dementias. It provides caregivers with practical skills, strategies, and knowledge to manage daily caregiving challenges and enhance their loved one's quality of life. The program also emphasizes self-care and stress management to achieve more contented involvement between the caregiver and the care-person. The 7-week program is offered FREE through the Area Agency on Aging of Pasco-Pinellas, Inc. Classes are limited to 6-12 participants-register early to secure your spot.
